

You Are Invited To:

TAWM Vancouver 2013

WHAT IS TAWM?

Tobacco Addiction Withdrawal Management (TAWM) is a two day INTRODUCTORY course focused on intensive smoking cessation counselling skills. TAWM offers practical hands-on tools and strategies to support best practices, systematic approach to screening and treatment of tobacco dependence. Topics covered include tobacco dependence physiology, pharmacotherapy and behavioural therapy techniques.

WHO SHOULD ATTEND TAWM?

Any healthcare professionals in contact with tobacco users and those interested in learning about treating tobacco dependence should attend TAWM. It is highly recommended that all participants complete the online course 'From Theory to Practice' (Cessation Module only) found on the following website: <http://tobaccocourse.otru.org/>. A letter of completion for TAWM Vancouver 2013 will only be issued to participants who attend both days of TAWM and have completed the 'From Theory to Practice' (Cessation Module – minimum mark of 60%) online course.
