

In-charge Nurse Resource Site

New Online Resource for In-Charge Nurses!

A new tool to support you in providing consistent and supported front-line leadership

Use the resource site to access:

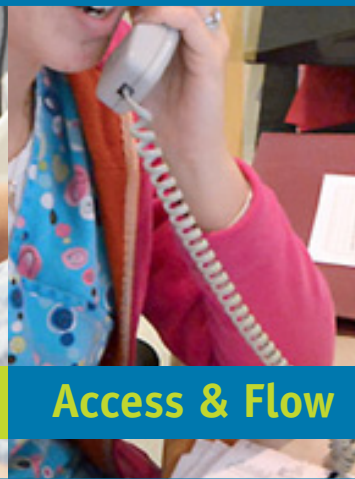

- “In the moment” useful references including links to policies, procedures, resources and workflows
- Printable checklists to assist in completing in-charge nurse responsibilities
- Resources which support the four key competencies of successful in-charge nurse leadership: staff utilization, patient care, access & flow and leadership

Staff Utilization

Patient Care

Access & Flow

Leadership

Managers, Frontline Leaders and In-charge Nurses can access the online resource 24/7:

1. Go to the CCRS home page: <https://ccrs.vch.ca/>
2. Search for the course name “In-Charge Nurse Resource Site.”
3. Select “Start Course” and enter your CCRS login information. If you have trouble logging in, please email LearnWithUs@vch.ca.
4. Click on each of the sections (pictured above) to access useful resources.

Note: you will need to access the site from a VCH computer with access to VCH Connect.

Questions, comments or concerns about the In-Charge Nurse Resource Site?

Please complete the “Site Evaluation Survey” on the course homepage, OR
