

No scents is good sense!

Vancouver Coastal Health (VCH) is committed to minimizing potential health risks associated with exposure to Scented Products.

PLEASE help contribute to a scent free workplace:

- **Don't** wear or use scented products in any VCH facility
- **Don't** bring any scented flowers or other scented items into our facilities

Learn more about the 'Scented Products' policy on VCH Connect:
Click on **Policies and Manuals > Human Resources > Workplace Health**
