

Who **inspires** you?

Across our organization there are staff, physicians and leaders who are inspirational: they put people first, challenge the status quo, build strong relationships, think creatively, and provide compassionate care to our patients, clients and residents. You know who they are, but we'd all like to know who they are, too!

Pick an award category

Patient-Centred Care, Teamwork and Collaboration,
The Unsung Hero, Innovation, Leadership, or Volunteering

Fill out the nomination

There are only 3 main questions!

Nominate your colleague for a
People First Award by April 7
