

LGH – 2017 Bike Census

Mon May 29 to Sun June 4th

... a bike tally with Amnesty: no worry, no blame, no repercussions

Rationale: What we can't measure, we can't fully value.

Although the LGH bike cage is rarely used, there's evidence that staff commute by bike.

To better serve our future needs, we have to know:

How many people in your department bike to LGH?
